

# The DUT-21 DIGITAL

## The Products

The DUT-21 DIGITAL spells quality. You need not be an engineer to be able to admire it's precision engineering and rugged good looks.

Out of this rare breed comes the ability to easily print onto a wide range of surfaces, including:

*Leather*  
*Plastic*  
*PVC*  
*Vinyl*  
*Paper & Card*  
*Soft Wood*  
*Silk & Satin (Ribbons)*

Automatic Foil Feed System

Thus, it can print onto:

**Business Cards (Paper & Plastic)**  
**Key Fobs**  
**Bookmarks**  
**Coasters**  
**Pens & Pencils**  
**Wedding Stationery & Greeting Cards**  
**Ribbon**  
**Diaries**  
**PVC Tax Disc Holders**  
**Plus, anything which you can think of!**
